## Student Supply Lists

Dear Parents of Pioneer Students:

Attached you will find lists of supplies that each child will need for their class at the beginning of the school year in August 2008.

The supplies are to be used in your child's classroom and will be consumed throughout the year. They will not go into individual student desks, so it's not necessary or desirable to purchase fancy items that might lead to conflicts. Many of our local businesses have big summer sales on school supplies, so please watch for advertisements because the savings can be substantial. Please do not send binders, pencil boxes, or pencil sharpeners with Second Grade students.

If you have the ability and the desire to purchase extra supplies for those who cannot provide their own, that would be most appreciated. The school will be purchasing supplies to be sure each classroom is fully outfitted. Thank you in advance for your assistance.

### Music
